Immune Health & Seasonal Challenges Relief Nutritional Seminar

Featured Speakers:

Dr. Diane E. Clayton
*Ph.D., Biochemist,
Nutritionist, Health
Practitioner*

Mark Lowman
*Biologist, Formulator
Quality Expert*

Join us for an exclusive video presentation by NeoLife Scientific Advisory Board Member, Dr. Diane Clayton who will be discussing how the right nutrition can make a powerful difference to the functioning and balance of the immune system. A healthy well-functioning immune system determines our overall state of health, helping to prevent disease and speed up recovery and healing. Discover nutritional strategies and solutions to optimize immune balance and to strengthen your body's natural defenses. Based in Nature, Backed by Science!

Plus! Watch a video presentation by NeoLife Scientific Advisory Board, Mark Lowman about a unique product solution to help your body overcome seasonal challenges.

Invite your friends and family!
