

NEOLIFE

EUROPEAN CONVENTION 2020

4-5 SEPTEMBER
VALENCIA

The destination is one of the most lively and dynamic Spanish cities: **VALENCIA!**

Located at the Mediterranean Sea, it offers something for all ages and tastes. Whether you are a fan of art, history, music, science, nightlife, gastronomy or the beach, you will find places of interest there. Valencia is also well known for its "Paella Valenciana" of course, and recently for important international sports events like the *America's Cup* and the *Formula 1 Grand Prix* on a street circuit at the city's port. These events have put Valencia more than ever on the world map.

One of the most important modern tourist destination there is the *City of Arts and Sciences*, a cultural complex with an amazing architecture. Here, in 2 different areas, NeoLife will host both the *Emerald Director and World Team Consistency Dinner* and the *Convention Dinner*. Those days these areas will be exclusive for NeoLife Distributors! This would be already a very good reason to book immediately your participation. As you can read, you have the chance to pay a small deposit to secure your seat, settling the balance afterwards. There are many seats, but still limited, so don't wait!

Both the *World Team Conference* and the *European Convention* will take place at the *Palacio de Congresos* (Avinguda de les Corts Valencianes, 60, 46015 València) a modern conference center voted as "The World's Best Convention Centre 2018". Separate registration form for the *World Team Conference* (1-3 September) will follow soon.
